

What can we learn about

France?

Can we find France on the map?

Is it near where we are at school?

Here is the French flag.

This is Paris. It is the capital city of France. This big river is called the Seine.

These are famous buildings that you will see in Paris.

This is the Eiffel tower. It is the most famous landmark in Paris.

Each year in France there is a famous cycle race called the Tour de France.

In France, soccer is called football. France has a good football

A big house in France is called a chateau.

France has many vine yards where they grow grapes.

The grapes are used to make wine.

In each town there are patisseries so you can get bread and cakes. Yum!

Have you been to France? Lots of people in Europe and around the world go there on vacation. In summer it is warm and there are lots of beaches to visit.

In winter there are lots of places to go skiing in France.

France is famous for its cheese, perfume and cars.
